	Letter No. B3-414-1775/60-61 D/14.2.61 from the CCF. Bangalore.
1	The CCF. states in his letter D/14.2.61 that Sri Bettappa Fakirappa Giddappalavar & Sri Bettappa Bangareppa Doddatammanavar were granted 10 acres and 15-7acres of land under Inforest Settlement System out of Forest Survey Nos. 269 & 308 of Airani Village of Ranebennur Taluka. It is said that these two grantees are requesting that the land be permanently granted to them for cultivation purposes by disforesting the area in question. The grounds for the request are set out in para 4 of the DFO's report on page 5 CF. It is also reported that the area in question will not be required for departmental activities in future & that the areas are adjacent to Malki lands. The CCF recommends that the land be disforested and granted to the present grantees permanently as a special case.

Sub:-Request for disforestment of lands granted on Inforest Settlement System out of Forest S.Nos.269 and 308 of Airani village, Taluka Ranebennur.

I enclose a copy of letter No.FOP/GFL/4480/861/60-61 dated 10-12-1960 from the Conservator of Forests, Belgaum along with the connected papers on the above subject for perusal.

An extent of 10 acres in S.No.269 and 15 acres 7 guntas in S.No.308 of Airani village have been granted on Inforest settlement to Sri Bettappa Fakirappa Giddappalavar and Sri Bettappa Bangareppa Doddatammannavar respectively. Now the applicants request to disforest the areas and to grant the same for cultivation permanently. In this connection they have stated that they have invested their entire amount to bring the areas under cultivation and that they want to further improve the lands by digging well for drinking water, to erect sheds for the accommodation of the cattle etc. They have further stated that they can raise loans for these purpose only if the lands are granted on a permanent basis. The Divisional Forest Officer, Dharwar has stated that the areas have become quite suitable for cultivation by the efforts of the grantees and will not be required by the Forest Department for its activities in future. In the circumstances and also in view of the fact that the areas are adjacent to the Malki lands, I have no objection to disforest these areas as a special case.

Orders of Government may kindly be issued early.

The connected papers may kindly be returned when done with.

Yours faithfully,
(Signed)

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Subject:-Request for disforestment of lands granted on Inforest Settlement System out of Forest Sy.Nos.269 and 308 of Airani village, Taluka Ranebennur.

I am submitting herewith Divisional Forest Officer, Dharwar's No.FOP/GFL/AIRANI-60-61 dated 6th October, 1960, in duplicate, together with its enclosures and in view of the circumstances reported by the Divisional Forest Officer, in detail, I recommend that 10 acres from Sy.No.269 and 15 acres and 7 gunthas from S.No.308 from Airani village be disforested in favour of the applicants, for cultivation, as they have established cultivation thereon after spending considerable amount and by doing manual labour. These lands are at present held by them as 'Inforest" cultivation plots.

Yours faithfully,

No.FOP/GFL/AIRANI of 60/61. Dharwar, 6 -10-1960.

Registr Parcel

Subject: Request for disforestment of lands granted on Inforest Settlement System out of Forest Sy.Nos.269 and 308 of Airani Village, Taluka Ranebennur.

In submitting herewith the two applications dated 28-8-1960 of Shriyuts Bettappa Fakirappa Giddappalavar and Bettappa Bangareppa Doddatammanavar both of Aremallapur Village, Taluka Ranebennur, I have to report as under.

2. The applicants in their applications request for granting the areas permanently after disforestment out of Forest Sy.Nos.269 and 308 of Airani Village, Taluka Ranebennur at present granted to them on Inforest ~~System~~ Settlement Systems.

3. The areas of 10 Acres and 19 Acres 34 Gunthas out of Forest Sy.Nos. 269 and 308 of Airani Village respectively were formerly granted to the applicants on Agri-Silvi System for the period from 1951 to 1956. But since the Agri-Silvi System found to be unsuccessful, the new Inforest Settlement System has been introduced by Government for grant of the forest lands for cultivation. Accordingly the areas of 10 Acres and 19 Acres 34 Gunthas out of Forest Sy.No.269 and 308 of Airani Village respectively granted on Agri-Silvi System have been converted into Inforest Settlement System as shown below:-

Sl. No.	Sy.No. and Village.	Area	Authority.	Name of the Lessee.	Remarks.
1	2	3 A.G.	4	5	6
1.	269 of Airani.	10- 0	Conservator of Forests, B.C., Belgaum's No. 22/51/12622 of 17-12-1957.	Shri.Bettappa Fakirappa Giddappalavar of Aremallapur.	
2.	308 of Airani.	15- 7	Government Order No.AFD-90-DST-58 of 22-12-1958.	Shri.Bettappa Bangareppa Doddatammannavar of Aremallapur.	Out of 19 Acr[es] 34 Gunthas formerly granted on Agri-Silvi System an are[a] of only 15 Ac 7 Gunthas has been granted on Inforest Settlement System in ord[er] to restrict t[o] economical holding of the lessee as prescribed by Government.

For the remaining area of 4 Acres 27 Gunthas (excluding the area of 15 Acres 7 Gunthas granted on Inforest Settlement System) out of Forest Sy.No.308 of Airani village, one Shri. Halappa Fakirappa Giddappalavar of Aremallapur village has applied for granting the area for cultivation. His request has been recommended for granting the area of 4 Acres 27 Gunthas on Inforest Settlement System under this office No. G/11/1324 of 19-12-1959 and Government Orders in question are awaited. Kindly vide your No.22/51(56-57)/3248 of 8-1-1960 in this connection.

4. Now the applicants request to disforest the areas in question and to grant the same for cultivation permanently. They, in their applications in question, state that they have invested their entire financial measure in order to bring the areas under cultivation for the period from 1951/ to 1960. They have also put their hard labour for the purpose, on account of which the areas in question are now become suitable for cultivation. Now they do not have any financial source to improve the areas further by undertaking the following measures:-

(a) To erect the bunds wherever necessary in order to stop soil erosion;

(b) To buy good quality of manure and use it for the fertilisation of the land;

(c) To undertake digging and weeding in order to fertile the areas;

(d) To dig up a well of drinking water, since the village Airani is 3 miles away from Aremallapur Village and hence the well is quite essential;

& (e) To erect sheds or huts for the accommodation of the cattle.

For the above improvements the ~~applicants~~ applicants require a good amount of money. But since the areas have been granted to them on Inforest Settlement System, they are unable to raise loans on the areas or to mortgage the areas in order to get the financial help from the Co-op. Societies and Takavi for undertaking the improvements. If the areas have been granted to them permanently they can raise the loans on the areas or mortgage the same for the financial help and undertake necessary improvements for the areas in question. The applicants therefore, request to grant the areas to them on permanent basis after disforestment.

5. I have inspected the areas. ~~During~~ The areas have become quite suitable for cultivation by the efforts of the grantees and areas will not be required by this Department for its activities in future. The applicants are cultivating the areas for the last 10 years and they have made the same quite suitable for cultivation after spending their entire financial treasure and their hard labour. The areas being flat there is no possibility of soil erosion.

(..........3

6. In the circumstances reported above, I hereby recommend that the areas of 10 Acres and 15 Acres 7 Gunthas out of Forest Sy.Nos.269 and 308 of Airani village, respectively Taluka Ranebennur may kindly be disforested and granted to the present lessees for cultivation on permanent basis.

7. . The Inforest Settlement Agreements Nos. 2 and 3 of Hirekerur Range along with necessary copies of the sketches are submitted herewith for favour of moving the Government for issuing necessary orders as requested in para No.6 above at an early date.

Sub:- Request for disforestment of lands granted on Inforest Settlement System out of Forest S.Nos.269 and 308 of Airani village, Taluka Ranebennur.

===

I enclose a copy of letter No.FOP/GFL/4480/861/60-61 dated 10-12-1960 from the Conservator of Forests, Belgaum along with the connected papers on the above subject for perusal.

An extent of 10 acres in S.No.~~269~~ 269 and 15 acres 7 guntas in S.No.308 of Airani village have been granted on Inforest Settlement to Sri Bettappa Fakirappa Giddappalavar and Sri Bettappa Bangarappa Doddatammannavar respectively. Now the applicants request ~~them~~ to disforest the areas and to grant the same for cultivation permanently. In this connection they have stated that they have invested their entire amount to bring the areas under cultivation and that they want to further improve the lands by digging well for drinking water, to erect sheds for the accommodation of the cattle etc. They have further stated that they can raise loans for these purpose only if the lands are granted on a permanent basis. The Divisional Forest Officer, Dharwar has stated that the areas have become quite suitable for cultivation by the efforts of the grantees and will not be required by the Forest Department for its activities in future. Inthe circumstances and also in view of the fact that the areas are adjacent to the Malki lands, I have no objection to disforest these areas as a special case.

Orders of Government may kindly be issued early.

The connected papers may kindly be returned when done with.

Sub:-Request for disforestment of lands granted on Inforest Settlement system out of Forest S.Nos 269 and 308 of Airani village,Taluka Ranebennur.

===

I am submitting herewith Divisional Forest Officer, Dharwar's No.FOP/GFL/AIRANI-60-61 dated 6th October,1960,in duplicate, together with its enclosures and in view of the circumstances reported by the Divisional Forest Officer,in detail, I recommend that 10 acres from S.No.260 and 15 acres and 7 guntas from S.No.308 from Airani village be disforested in favour of the applicants, for cultivation, as they have established cultivation thereon after spending considerable amount and by doing manual labour. These lands are at present held by them as 'Inforest" cultivation plots.

Copy of the letter No.FOP/GFL/AIRANI of 60/61 dated 6-10-60 from the Conservator of Forests Belgaum Circle,Belgaum.~~xxxthe~~

Subject:- Request for disforestment of lands granted on Inforest Settlement system out of Forest S.Nos 269 and 308 of Airani Village,Taluka Ranebennur.

======.

In submitting herewith the two applications dated 28-8-1960 of Shriyuts Bettappa Fakirappa Giddappalavar and Bettappa Bangarappa Doddatammanavar both of Aremallapur Village, Taluka Ranebennur, I have to report as under.

2. The applicants in their ~~applicants~~ applications request for granting the areas permanently after disforestment out of Forest S.Nos 269 and 308 of Airani Village, Taluka Renebennur at present granted to them on ~~ForestxSettlement~~x Inforest Settlement systems.

3. The areas of 10 acres and 19 acres 34 guntas out of Forest S.Nos 269 and 308 of Airani Village respectively were formerly granted to the applicants on Agri-Silvi System for the period from 1951 to 1956,But since the Agri Silvi system found to be unseccessful the new Inforest Settlement system has been introduced by Government for grant of the forest lands for cultivation. Accordingly the ~~xxx~~ areas of 10 acres and 19 acres 34 guntas out of Forest S.Nos.269 and 308 of Airani Village respectively granted on Agri-Silvi System have been converted into Inforest Settlement System as shown below:-

Sl. No.	Sy.No.and Village.	Area	Authority.	Name of the Lessee.	Remarks
1	2	3	4	5	6
1.	269 of Airani	A-G 10-0	Conservator of Forests,B.C., Belgaum's No. 22/51/12622 of 17-12-1957.	Shri Bettappa Fakirappa Fiddappalavar of Aremallapur.	
2.	308 of Airani	15-0	Government Order No.AFD-90-DST-58 of 22-12-1958.	Shri Bettappa Bangarappa Doddatammannavar of Aremallapur.	Out of 19 acres 34 guntas formerly granted on Agri-Silvi System an area of only 15 acres 7 guntas has been granted on Inforest Settlement system in order to restrict the economical holding of the lessee as prescribed by Government)

P.T.O.

For the remaining are of 4 Acres 27 Guntas (Excluding the area of 15 acres 7 guntas granted on Inforest Settlement system) Out of Forest S.No.308 of Airani Village, one Shri Halappa Fakirappa Giddappalavar of Aremallapur village has applied for granting the area for cultivation. His request has been recommended for granting the area of 4 acres 27 guntas on Inforest Settlement system under this office No.G/11/1324 of 19-12-1959 and Government Orders in question are awaited. Kindly vide your No.22/51(56-57)/3248 of 8-1-60 in this connection.

4. Now the applicants request disforest the areas in question and to grant the same for cultivation permanently. They, in their applications in question, state that they have invested their entire financial measure in order to bring the areas under cultivation for the period from 1951/to 1960. They have also put their hard labour for the purpose, on account of which the areas in question are now become suitable for cultivation. Now they do not have any financial source to improve the areas further by undertaking the following measures:-

(a) To erect the bunds wherever necessary in order to stop soil erosion;

(b) To buy good quality of manure and use it for the fertilisation of the land;

(c) To undertake digging and weeding in order to fertile the areas;

(d) To dig up a well of drinking water, since the village Airani is 3 miles away from Aremallapur village and hence the well is quite essential;

(e) To errect sheds or huts for the accommodation of the cattle.

For the above improvements the applicants require a good amount of money. But since the areas have been granted to them on Inforest Settlement System, they are unable to raise loans on the areas or to mortgage the areas in order to get the financial help from the Co-Op. Societies and Takavi for undertaking the improvements. If the areas have been granted to them permanently they can raise the loans on the areas or mortgage the same for the financial help and undertake necessary improvements for the areas in question The applicants therefore, request to grant the areas to them on permanent basis after disforestment.

5. I have inspected the areas. The areas have become quite suitable for cultivation by the efforts of the grantees and areas will not be required by this Department for its activities in future. The applicants are cultivating the areas for the last 10 years and they have made the same quite suitable for cultivation after spending their entire financial treasure and their hard labour. The areas being flat there is no possibility of soil erosion.

6. In the circumstances reported above, I hereby recommend that the areas of 10 acres and 15 acres 7 Guntas out of Forest S.Nos 269 and 308 of Airani village, Taluka Ranebennur may kindly be disforested and granted to the present lessees for cultivation on permanent basis.

7. The Inforest Settlement Agreements Nos. 2 and 3 of Hirekarur Range along with necessary copies of the sketches are submitted herewith for favour of moving the Government for issuing necessary orders as requeste in para No.6 above at an early date.

Sir,

In submitting herewith the papers of the case, ending with Asstt:Commissioner, Haveri Dn., Haveri's No. FORSR-54 dated 11-12-1961, I have to state as under:

Under the inforest settlement system, an area measuring 10 acres in S.No. 269 and 15 acres 7 gunthas in S.No. 308 of Airani village, taluka Ranebennur has been granted to Shri Bettappa Fakirappa Giddapalavar and Bettappa Bangarappa Doddtammanavar respectively for cultivation, by the Forest Department. Now the applicants request to disforest the above said area and to grant the same for cultivation permanently.

The Asstt:Commissioner, Haveri Dn., Haveri reports after enquiry that the grazing area of the village is adequate and the area to be disforested is already held by the respective lessees since long. The villagers of ~~Airani~~ Airani have no objection to grant the area to the applicants. The District Forest Officer, Conservator of Forests, and the Chief Conservator of Forests have also given their consent to disforest the area already held by the applicants.

In view of the facts stated above, there appears no objection to disforest the area, to the
